

May/ June Holiday Programme 2023 Creative Writing – Primary Level

Heroes *The Super, The Everyday and the Unlikely*

Back by popular demand, our Heroes holiday programme returns for another exciting run! The refreshed programme enables your child to explore the questions: Who do we define as a hero? Do we find heroes only on movie screens? Are there heroes around us? Can you and I be a hero?

At this fun-filled, multi-modal workshop, your child will immerse in rich texts and discussions to read, think, create, write and speak about what embodies a hero. At the end of the workshop, your child would bring home his self-authored Heroes folio compilation, showcasing his varied writings and creative expressions.

Skills covered:

- **Reading and comprehension:** stories, biographies and news, thematic vocabulary, inferring, evaluating
- **Writing:** biography, poetry, comics, picture composition, quotes, heroes folio compilation
- **Speaking:** group discussions, presentation
